

RESOLUTION REGARDING THE REPRESENTATION OF
SENATOR JOHN MCCAIN

WHEREAS, John McCain has attacked our First and Second Amendment rights through McCain's Campaign Finance Reform and McCain's attempt to close down gun shows, and

WHEREAS, John McCain has done great harm to our national defense and economy by twice voting against drilling in the Alaskan Oil Reserves, and

WHEREAS, John McCain is opposed to amending the U.S. Constitution to define marriage as the union of one man and one woman as stated in the proposed federal marriage amendment act, and

WHEREAS, He allied with liberal Democrat Senator Ted Kennedy to introduce another immigration amnesty program for illegal aliens thus ignoring the cries of the vast majority of residents from his own state of Arizona to take strong action to stop the invasion of the United States, and

John McCain led the derailment of Republican strategy to end the filibuster of Presidential judicial and ambassadorial appointments thereby undermining his own Republican leadership, and we wish to make it clear that the Executive Guidance Committee of the Maricopa County Republican Committee supports the position of President Bush and Senate President Frist to end the filibuster of Presidential nominees.

THEREFORE, BE IT RESOLVED, That we, the Executive Guidance Committee of the Maricopa County Republican Committee, do hereby express our extreme displeasure with Senator John McCain for undermining the conservative mandate of the 2004 election, and state that we condemn John McCain's betrayal of the trust Republican voters placed in him. We further state that only under extremely "extraordinary circumstances" will we support the candidacy of John McCain for President of the United States. We urge other Republican organizations to likewise convey to Senator McCain that they will not support his candidacy.
